

FUGRO

GEODIN TRIAL LICENCE

You can test GeoDin Professional free for ten days and get a complimentary short online introduction to our data management software. Please fill in and sign the trial form overleaf and send per email to support@geodin.com.

INTRODUCTION & SUPPORT

To get 60 minutes complimentary online training please indicate a preferred date and time. You will receive an email confirmation with details of the online session. We will make alternative suggestions if the session is not possible.

If you have any questions regarding the installation or use of our software please contact the GeoDin support team. Our hotline is available Monday through Friday from 9:30 to 11:30 and 12:30 to 16:00 (CET) on +49 (0)30 93651 317 (except German public holidays). If you need to extend the test period please contact us by email at least 3 working days before expiry.

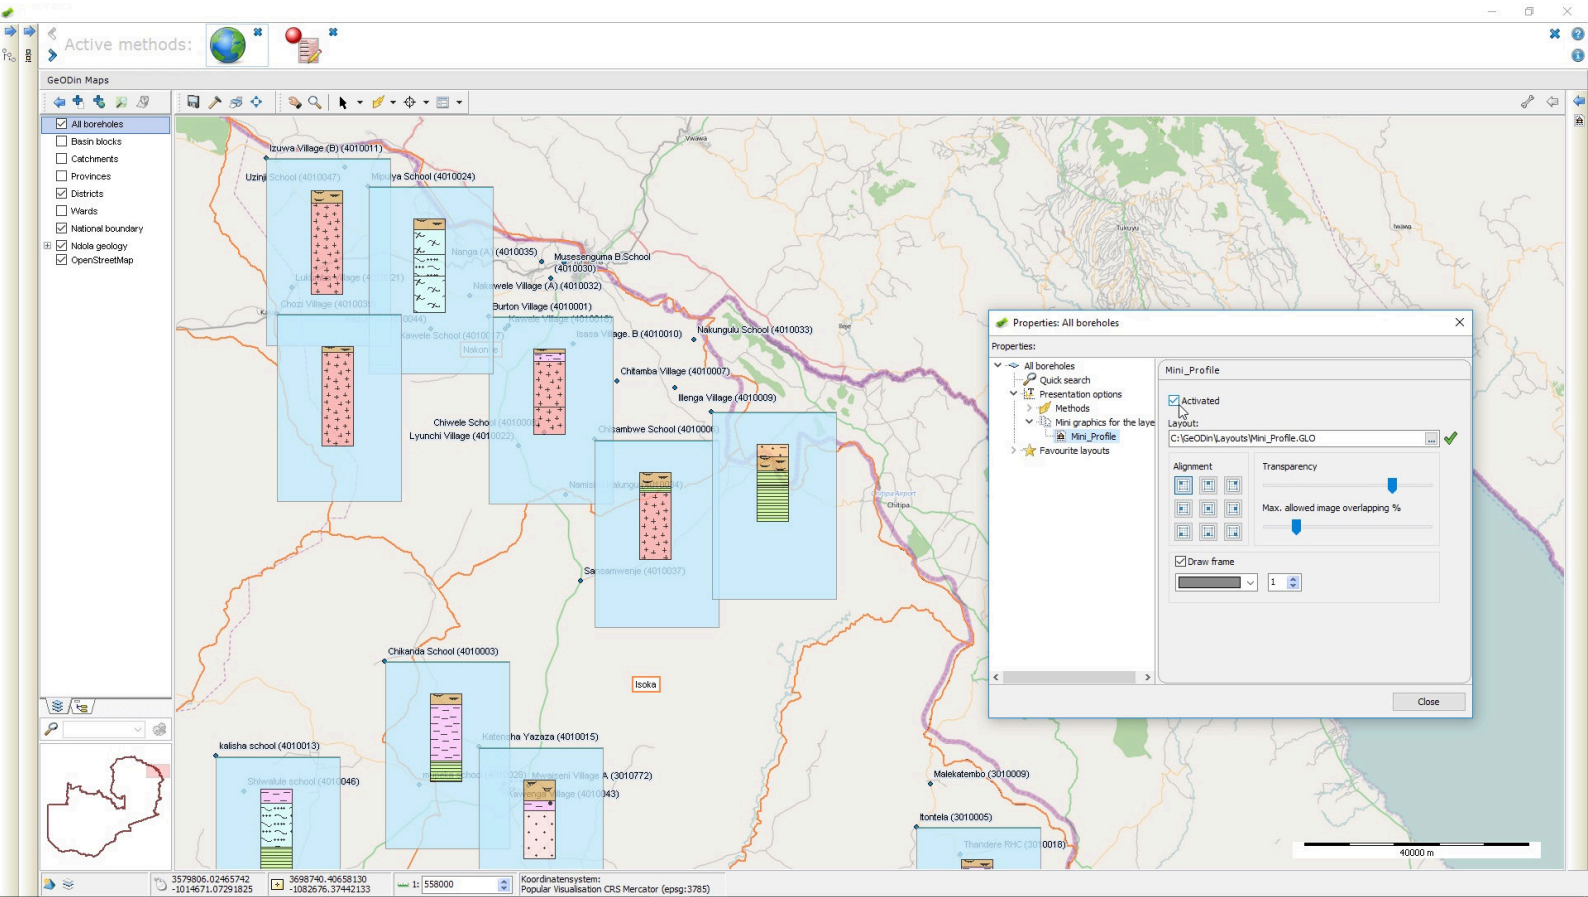

TECHNICAL DETAILS

The recommended system requirements are PCs with Windows operating system from Windows 10 (64-bit) with 4 GB RAM and a display resolution of 1920 x 1080 px. GeoDin may also be run from a Windows Server 2016 or higher as well as Citrix. Previous Windows operating systems and RAM configurations may work, but these are not supported.

GeoDin is available in English, French, German, Italian, Portuguese, Spanish, Russian and Turkish. Integrated contextual help is provided in English and German.

IMPORTANT NOTICE

The trial licence may not be used commercially. Make a backup of any existing GeoDin databases and layouts before you start testing. The trial licence provided to you will automatically expire after 10 days. If you are interested in purchasing the software, please contact us by email or telephone.
