FUGRO
GEODIN 9 TRIAL LICENCE

You can test GeODin 9 Professional free for ten days and get a complimentary short online introduction to our data management software. Please fill in & sign the trial form overleaf and fax back to +49 (0)30 93651 200 or send per email to support@geodin.com.

INTRODUCTION & SUPPORT

To get 60 minutes complimentary online training please indicate a preferred date and time. You will receive an email confirmation with details of the online session. We will make alternative suggestions if the session is not possible.

If you have any questions regarding the installation or use of our software please contact the GeODin support team. Our hotline is available Monday through Friday from 9:00 to 11:30 and 12:30 to 16:00 (CET) on +49 (0)30 93651 317. If you need to extend the test period please contact us by email at least 3 working days before expiry.

TECHNICAL DETAILS

The recommended system requirements are PCs running Windows 10 (32- and 64-bit) with 4GB RAM and a display resolution of 1920 x 1080 px. GeODin may also be run from a Windows 2012 Server or Citrix. Previous Windows operating systems and RAM configurations may work, but these are not supported.

GeODin is available in English, French, German, Italian, Portuguese, Spanish, Russian and Turkish. Integrated contextual help is provided in English and German.
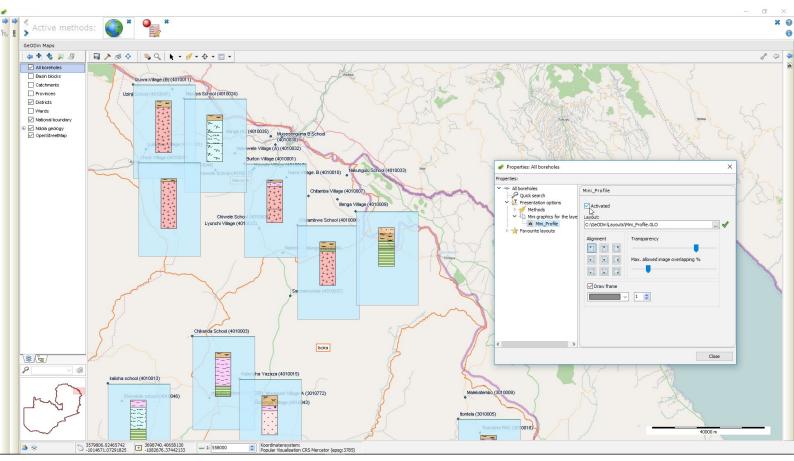

IMPORTANT NOTICE

The trial licence may not be used commercially. Make a backup of any existing GeODin databases and layouts before you start testing.

f you decide not to purchase GeODin software, please send back the USB-key by registered post or by courier. If we do not receive the USB key within 10 days after your trial version has expired we will invoice you 95€ for the USB-HASP licence key. Hence do not use normal postal delivery services to return the key.
